Empowering Childhood through Compassion and Connection

“The way we talk
to our children
becomes their
inner voice.”

Peggy O'Mara

Welcome to Informed Early Years!

We're thrilled to share our mission of empowering parents, families, and professionals in early childhood education and care. Our goal is to help you develop relational and compassionate practices that prioritise well-being through a trauma-informed lens.

Our offerings continually evolve with best practices and the latest research. Many of our courses are currently undergoing CPD accreditation, so you can be confident in the quality of your professional development. Look for the CPD Standards Office logo to identify these courses.

We look forward to supporting your journey toward enhancing children's lives.

E-Learning Courses Overview

Welcome to our comprehensive suite of e-learning courses designed for early years professionals, parents, and organisations. Our courses are structured to provide a progressive learning experience, starting from foundational knowledge and advancing to expert-level skills. Whether you are just beginning your journey or looking to deepen your expertise, our courses are tailored to meet your needs. Explore our range of beginner, intermediate, and advanced courses, all focused on fostering a supportive, mindful, and trauma-informed environment for young children.
